

What is Hope Faith Ministries?

Hope Faith Ministries is a non-denominational, faith-based ministry that serves the needs of the homeless and less fortunate in Kansas City. Our heart is to empower and equip those who are living in poverty. It is our HOPE to see lives changed by showing God's love, through acts of kindness.

In 2009, our ministry served over 119,000 hot meals. We currently serve between 375 to 500 individuals per day, five days a week. Our ministry provides: referrals for alcohol & drug treatment, referrals for dental & medical services, emergency clothing, personal hygiene products, community resources, furniture for apartments, legal council, veteran's outreach, bus passes, prayer support, a variety of equipping classes, support groups, and bible studies.

Our ministry is funded primarily by individual donations.

All proceeds from this event will be used to provide food, clothing, and resources to care for the needs of the homeless and less fortunate in Kansas City.

"To break the cycle of homelessness and poverty in Kansas City by equipping, resourcing, and releasing individuals back into society." HFM Vision Statement
